Welcome to Sunnymead!

Dear Parents,

We would like to welcome all of you on behalf of Sunnymead Elementary School HSA executive board. This year the HSA is going to have a great school year bringing to you and your family fun and adventure. We aren't just about fundraising! We are about bringing school families together to spend time with our kids and our kids to show us what they learn and love both in and out of school.

We encourage you to join us and become an HSA member this year. Take advantage of the various offers for HSA members and the opportunity to get involved in your child's school life. You can volunteer for as much or as little as your schedule will allow.

We truly believe that a strong community raises better citizens, so let's work together to make our school more fun for our kids.

We look forward to seeing you this year.

Go Huskies!

HUSKIE SPOTLIGHT

This month the HSA would like to give a special shout out to **Mrs. Guido** and **Mrs. Primiani!** These two ladies keep the ship (Sunnymead) afloat even when the rest of the school is on summer vacation. Found in the main office, Mrs. Guido, Secretary and Mrs. Primiani, Assistant, always have a smile on their face! While attendance recording, late passes and visitor passes are a fraction of what they do, they also know EVERYTHING happening at Sunnymead school! The HSA would like to spotlight them both for their hard work and dedication to Sunnymead, especially during these last few dog days of summer, enrolling new students, scheduling assessments and generally getting school ready for US.

THANK YOU!

Have a teacher or staff member in mind who deserves the spotlight? Submit their name and explain WHY he/she should be featured!
