HUSKIE SPOTLIGHT

Mrs. Devincenz

Mrs. Levinski

This month the HSA would like to highlight two extra special faculty members who have touched our school and community in an extra special way this season.

We would like to extend a big thank you to **Mrs. Levinski**, who organized and executed a wonderful Veterans Day Celebration for our families and friends who have served in the military.

Each year **Mrs. DeVincenz** and her Fourth Grade Class help make the holiday season a little bit brighter for those in need by providing a holiday wish. Students work with their parents to purchase and/or shop for the item, and understand the true meaning of giving to someone less fortunate.

Thank you both for going the extra mile!

Have a teacher or staff member in mind who deserves the spotlight? Submit their name and explain WHY he/she should be featured!
